

2020 Census

# GET COUNTED.

Shape your community's future. Start here.

Our community loses **\$1,091** for every person in Tennessee not counted in the 2020 Census.

Census data helps secure funds for things like roads, hospitals, fire stations, and other government-funded programs for residents.

Your information is protected by law and your answers are kept confidential.

You can respond to the 2020 Census by mail, by phone, or online.
